

## Does protecting your business from cyber threats feel **out-of-reach?**

Hackers are already at your doorstep!  
Your SME is more vulnerable to cyber attacks than you think.

A local snack manufacturer  
**lost RM1.9 million**  
due to a suspected hack of  
their banking system.

On average, SMEs  
**lose RM119,388**  
due to cyber attacks.
